The Belmont Block 330 West Spring Street Columbus, Ohio

A HISTORIC RENOVATION, THE BELMONT BLOCK OFFERS MORE than 200,000 square feet of loft office space in the rapidly growing Arena District. The property spans over seven acres west of Neil Avenue between Spring Street and West Nationwide Boulevard, encompassing seven former industrial buildings, including the former Belmont Casket Co. complex, which dates back to 1885. Lofty, artistic, and inspirational, the redevelopment project offers a rebirth and new opportunity to businesses seeking authentic urban space with all the modern amenities.

Discover **The Belmont Block**, and discover the potential of space redefined.
